SUBJECT: UNSC SUDAN SANCTIONS COMMITTEE: GUIDANCE FOR
PANEL OF EXPERTS RENEWAL

¶1. This is an action request. USUN is requested to share the draft resolution in para 2 with other members of the Committee established pursuant to resolution 1591 (2005) concerning the Sudan, which would extend the mandate of the Committee's Panel of Experts for one year.

DRAFT RESOLUTION

¶2. The Security Council,

Recalling its previous resolutions and statements of its President concerning Sudan,

Reaffirming its commitment to the sovereignty, unity, independence and territorial integrity of Sudan, and recalling the importance of the principles of good neighbourliness, non-interference and cooperation in the relations among States in the region,

Stressing again its firm commitment to the cause of peace throughout Sudan, full implementation of the Comprehensive Peace Agreement of 9 January 2005, full implementation of the framework agreed between the parties for a resolution of the conflict in Darfur (the Darfur Peace Agreement), and an end to the violence and atrocities in Darfur,

Reiterating the importance of promoting a political process to restore peace and stability in Darfur, and strongly urging those parties who have not yet agreed to participate in negotiations to do so immediately and all parties to the conflict to engage fully and constructively in the process and to cooperate with the African Union/United Nations Chief Mediator Djibril Bassole,

Reiterating its belief in the basis provided by the Darfur Peace Agreement for a lasting political solution and sustained security in Darfur, deplored that the Agreement has not been fully implemented by the signatories and not signed by all parties to the conflict in Darfur,

Noting with strong concern the ongoing violence, impunity, and consequent deterioration of the humanitarian aid situation and humanitarian workers' lack of access to populations in need, and calling upon all parties in Darfur to cease offensive actions immediately and to refrain from further violent attacks,

Demanding that there should be no aerial bombings nor the use in Darfur, by any party to the conflict, of white aircraft or aircraft with marking resembling those on United Nations aircraft, and demanding that the parties to the conflict exercise restraint and cease military action,

Demanding an immediate and complete cessation by all parties to armed conflict of all acts of sexual violence against civilians in line with resolution 1820 (2008).

Commanding the efforts of, and reiterating its full support for, the joint African Union/United Nations Chief Mediator of the African Union, the United Nations Secretary-General, and the leaders of the region to promote peace and stability in Darfur, looking forward to the full and rapid deployment of the African Union/United Nations Mission in Darfur (UNAMID), and expressing strong support for the political process under the African Union/United Nations-led mediation,

Welcoming the announcement from the Department of Peacekeeping Operations of its intention to develop guidelines to enhance cooperation and information sharing between UN peacekeeping missions and the Security Council's Sanctions Committees' expert panels.

Recalling the 30 April 2009 midterm report by the Panel of Experts appointed by the Secretary-General pursuant to paragraph 3 (b) of resolution 1591 (2005) and extended by subsequent resolutions, and taking note of the Panel's final report (S/2009/xxx), and expressing its intent to study the Panel's recommendations further and to consider appropriate next steps,

Emphasizing the need to respect the provisions of the Charter concerning privileges and immunities, and the Convention on the Privileges and Immunities of the United Nations, as applicable to United Nations operations and persons engaged in such operations,

Determining that the situation in Sudan continues to constitute a threat to international peace and security in the region,

Acting under Chapter VII of the Charter of the United Nations,

¶1. Decides to extend until 15 October 2010 the mandate of the current Panel of Experts, originally appointed pursuant to resolution 1591 (2005) and previously extended by resolutions 1651 (2005), 1665 (2006), 1713 (2006), 1713 (2006), 1779 (2007), and 1841 (2008), and requests the Secretary-General to take the necessary administrative measures;

¶2. Requests the Panel of Experts to provide no later than 31 March 2010 a midterm briefing on its work and no later than 90 days after adoption of this resolution an interim report to the Committee established pursuant to paragraph 3 (a) of resolution 1591 (2005) and a final report no later than 30 days prior to termination of its mandate to the Council with its findings and recommendations;

¶3. Requests the Panel of Experts to coordinate its activities as appropriate with the operations of the African Union/United Nations Mission in Darfur (UNAMID), and with international efforts to promote the political process in Darfur, and to assess in its interim and final reports progress towards reducing violations by all parties of the measures imposed by paragraphs 7 and 8 of resolution 1556 (2004) and paragraph 7 of resolution 1591 (2005), and progress towards removing impediments to the political process, threats to stability in Darfur and the region and other violations of the above-mentioned resolutions;

¶4. Urges all States, relevant United Nations bodies, the African Union and other interested parties, to cooperate fully with the Committee and the Panel of Experts, in particular by supplying any information at their disposal on implementation of the measures imposed by resolution 1591 (2005) and resolution 1556 (2004);

¶5. Decides to remain actively seized of the matter.
